## RANDOM FACTS PER CATEGORY

GENERATE DOG FACT

"Pekingese and Japanese Chins were so important in the ancient Far East that they had their own servants and were carried around trade routes as gifts for kings and emperors. Pekingese were even worshipped in the temples of China for centuries."

GENERATE CAT FACT

"Most cats are lactose intolerant, and milk can cause painful stomach cramps and diarrhea. It's best to forego the milk and just give your cat the standard: clean, cool drinking water."
